SECTION I: GENERAL POLICY

This Guide outlines the policies and procedures for interaction between Military Attachés assigned to Embassies in Washington, DC and the U.S. Army.

Electronic copies of the General Policy, the DD Form 1172, Uniformed Services Identification Card and DEERS Enrollment form, and formats for accreditation documents are available for downloading on the Army Foreign Liaison website at: <http://www.dami.army.pentagon.mil/offices/DAMIFL.aspx>.

The U.S. Army offices through which military attachés and representatives of foreign governments must initiate official business with U.S. Army organizations or personnel are:

- (1) The Foreign Liaison Directorate of the Office of the Deputy Chief of Staff, G-2 (DAMI-FL), for general attaché matters.**
- (2) The Foreign Disclosure Division, Office of the Deputy Chief of Staff, G-2 (DAMI-CDS), for visits, information and document requests and foreign liaison officer issues.**
- (3) The Army International Affairs Division of the Office of the Deputy Chief of Staff, G-3/5/7 for bilateral military-to-military issues, office calls with Army senior leaders, Military Personnel Exchange Program and Schools of Other Nations Program issues.**

Additionally, accredited military attachés may conduct official business with U.S. Army Public Affairs Offices and with offices mentioned in the “Letter of Special Accreditation” that each attaché receives upon accreditation without receiving prior approval from the Foreign Disclosure Division.

A. Primary Points of Contact

1. Army Foreign Liaison Directorate (DAMI-FL), Office of the Deputy Chief of Staff, G-2

The Army Foreign Liaison Directorate is the Department of the Army's proponent for relations between the Department and the Military Attachés assigned to embassies in Washington, DC. The U.S. Army Senior Leadership has designated the Director of Foreign Liaison as the primary point of contact for foreign military attachés. Army Foreign Liaison is located in the Pentagon, Room 2E424. The principal components of Foreign Liaison that interact with the Attaché Corps are: the Attaché Coordination Division; the Operations Division and the Protocol Section. Duty telephone numbers are listed in the *Military Attaché Social Directory* and the Army Foreign Liaison Directorate Personnel Listing, which the Directorate provides quarterly to Military Attaché

offices. Army Foreign Liaison Personnel are available to assist Military Attachés at all times. For emergencies, home and cellular telephone numbers are also listed in the *Social Directory of the Military Attaché Guide*.

- a. Director and Deputy Director of Foreign Liaison.** The Director and Deputy Director are the first points of contact in Headquarters, Department of the Army for all Military Attachés. They establish policies; ensure that the office provides effective, responsive support to the senior Army leadership and the Washington Corps of Military Attachés; facilitate communications between the Army and foreign military and civilian officials; and represent the Army to the foreign military diplomatic community in Washington, DC. They work with the leadership of the Washington Corps of Military Attachés to develop programs and

events that are meaningful and informative. *Ex officio*, the Director is a member of the Regional Directors of the Washington Association of Military Attachés and the Deputy Director is a member of the Executive Committee.

b. **Attaché Coordination Division.** This Division is responsible for administrative support to the Attaché Corps and the HQDA Orientation Program for the Attaché Corps. Its main functions include:

- Day-to-day assistance to Military Attachés and their staffs.
- Diplomatic accreditation and farewell of Military Attachés.
- Extension of the Uniformed Services Identification and DEERS Enrollment Card privilege for eligible foreign military personnel in the Military District of Washington area.
- Pentagon building access for eligible Military Attachés.
- Publication and distribution of the Quarterly Attaché Newsletter.
- Publication and distribution of the Military Attaché Guide and Directory.
- Publication of the Military Attaché Roster.
- The HQDA Orientation Program for the Military Attaché Corps, including:
 - Annual official trips designed to highlight U.S. Army activities, major industries, and culture located within a particular geographical region of the United States.
 - Annual official battlefield staff rides to highlight the lessons learned from the historical development of the U.S. Army.
 - Triennial official trips to the Army War College, the United Military Academy at West Point, New York, and Training and Doctrine Command (TRADOC) to highlight U.S. officer training programs and foreign military training opportunities.
 - Periodic information briefings on topics relevant to the Army and its operations.

c. **Operations Division.** This Division manages distinguished foreign visits to

Headquarters, Department of the Army, including:

- The Washington, DC, Field Trip Program for International Military Student as part of the OSD-mandated Information Program.

d. **Protocol Section.** This section arranges official functions in honor of the Attaché Corps on behalf of the G-2 and Headquarters, Department of the Army; processes invitations to U.S. Army personnel for embassy-hosted events and provides advice regarding:

- Official social occasions hosted by U.S. Army leadership in honor of the Military Attachés.
- Invitations from foreign embassies to U.S. Army personnel whose offices are located within the Military District of Washington.
- Protocol and precedence issues.
- U.S. Army customs and courtesies.
- Correspondence between embassies and Headquarters, Department of the Army.

2. Foreign Disclosure Division (DAMI-CDS), Office of the Deputy Chief of Staff, G-2

Foreign Disclosure is responsible for processing requests from foreign nationals to visit U.S. Army organizations and defense related firms. Foreign Disclosure also processes requests of foreign governments for information that is not available on the internet or for purchase at the Government Printing Office, National Technical Information Service, or through a Foreign Military Sales publication account. **Section II of this guide provides instruction on how to process visit requests and requests for information or documents. Foreign Disclosure is also responsible for the Foreign Liaison Officer Program.**

3. Army International Affairs (DAMO-SSR), Office of the Deputy Chief of Staff, G-3/5/7

The Army International Affairs Division manages the U.S. Army's bilateral relationships with other Armies (land forces) and synchronizes Army programs which support those relationships. Army

Section I: General Policy

U.S. Army Foreign Liaison Directorate *Military Attaché Guide January 2012*

International Affairs is the point of contact within HQDA for Military Attachés for regional and bilateral issues. Specifically, International Affairs is responsible for:

- The overall CSA Counterpart Visit Program (developing recommendations on who the CSA hosts and what countries he visits).
- Army Staff Talks Program.
- CSA attendance at regional Army Chiefs' conferences (CEA, LFS, CAA, PACC, ALFS).
- Office calls and other meetings with Army Senior Leaders (SecArmy, CSA, Under SecArmy, VCSA, DAS, SMA, and DCS,G-3/5/7).

B. Accreditation / Departure Procedures

1. Accreditation

a. **Application for Accreditation.** Foreign military officers seeking accreditation to the U.S. Army as a military attaché or assistant military attaché should submit the information listed below to the Director of Foreign Liaison. **Please be aware that the positions of military attaché, liaison officer, and exchange officer are all different, each with its distinct status. An officer can only hold one of those positions at any one time. The U.S. Army will not recognize an officer as both a military attaché and a liaison officer. This is also true if another Service or Defense recognize an officer in any of these categories.** Embassies should submit requests for accreditation to Foreign Liaison before or at the same time as the request for diplomatic accreditation to the U.S. Department of State. This will speed up the accreditation process since, in order to receive diplomatic accreditation/ recognition with the title of Military Attaché or Assistant Military Attaché, both the State Department and the Foreign Liaison Office must recognize the individual with that title. Formats for the following letters and forms are available electronically at the Foreign Liaison public website listed at the beginning of this document.

- A letter requesting accreditation as a Military Attaché. (Example: Annex A-1)
 - A copy of the Attaché's DS 2003 as submitted to the United States Department of State. **Please ensure that the individual's military rank is reflected on the DS 2003 at Section 3(d) 'Prefix'. The name and rank reflected on the DS 2003 and on all of the accreditation paperwork must be the same.**
 - The Military Attaché Biographical Information Form. (Annex A-2) **NOTE: The name and rank of the Military Attaché, as printed on the State Department DS 2003 and the Military Attaché Biographic Form, will be recognized as the official version for all U.S. Army correspondence and records.**
 - A letter, on official embassy stationery, with the Military Attaché's specimen signature and signature block and the specimen signature and specimen signature blocks of embassy personnel, if any, authorized to sign on the Military Attaché's behalf. (The Military Attaché may designate up to two people to officially sign on his behalf.) Assistant Military Attachés must also provide a specimen of their personal signature and signature block. (Examples: Annexes A-3 and A-4)
 - Two passport size photographs of the Military Attaché and two of his/her spouse. These will be used in the Military Attaché Guide.
- b. **Accreditation Ceremony.** On completion of all administrative requirements, the Army will recognize the individual's diplomatic status and extend the privileges for which the attaché is eligible. Following recognition, the attaché will be invited to the next scheduled Accreditation Briefing and Ceremony. These events are conducted periodically. Army Foreign Liaison will notify eligible Military Attachés of the date, time and location of the formal Accreditation Ceremony when a date has been established for the event. Listed below are additional important points concerning the accreditation ceremony:
- The Military Attaché accreditation briefing and ceremony will be in English.
 - The event is for the Military Attaché only. Family members or other office personnel

are not invited to these official business sessions.

- The dress for the occasion is the military uniform equivalent to the U.S. Army Service Uniform.
- A Foreign Liaison representative will meet Military Attachés at the designated Pentagon entrance and escort them to the ceremony.
- If driving or being dropped off at an entrance requiring vehicle clearance, Military Attachés should provide the Attaché Coordination Division with vehicle information at least one day prior to the ceremony. Instructions for vehicle clearance and parking clearance are in Section I. F. Additional Information.

2. Departure

a. Departure Notification. Military Attachés should provide written notification of their impending departure and the name and anticipated arrival date of their successor to the Director of Foreign Liaison a minimum of 30 days prior to the anticipated dates. (Example: Annex 5) Failure to provide prompt and accurate notification of departure may delay the accreditation of the successor attaché.

b. Farewell Luncheons. To properly recognize the service of departing attachés the Deputy Chief of Staff, G-2 hosts regular farewell luncheons. Army Foreign Liaison will contact departing attachés and schedule attendance at a farewell luncheon. In the event that an attaché is not able to attend a scheduled luncheon prior to departure, that attaché should arrange a departure office call with the Director of Foreign Liaison.

3. **Arrival and Departure Courtesy Calls.** There is no requirement for arriving or departing attachés to request courtesy office calls with senior Army leaders. The size of the Attaché Corps and the calendar demands of senior Army leaders make such office calls impractical. The accreditation and farewell luncheons hosted by the Deputy Chief of Staff, G-2 take the place of those office calls. The formal accreditation and farewell events are considered official courtesy calls.
4. **Foreign Liaison Office Calls.** Arriving and departing attachés are encouraged to schedule informal courtesy calls with the Director/Deputy Director of Foreign Liaison.

C. General Requirements

1. Wearing of Uniforms. Department of Defense policy states that Military Attachés must be in military uniform to conduct official business with the U.S. military. Wearing of the uniform is a symbol that the visit is officially sanctioned by both nations. Additionally, it ensures that U.S. military personnel will render the Military Attaché proper military courtesy.

2. Nametags. Army Foreign Liaison issues all Military Attachés a nametag and equivalent U.S. rank insignia at the time of their accreditation. The nametag reflects the Military Attaché's last name, rank, country, and displays a miniature replica of the Military Attaché's national flag. Military Attachés are asked to wear the nametag and rank insignia on their uniform when conducting business with U.S. Army organizations. If your nametag becomes lost, damaged or excessively worn, please contact the Attaché Coordination Division, and we will provide you with a point of contact for local purchase.

3. Correspondence.

a. Official Correspondence to U.S. Army Organizations and Personnel. All correspondence (letters, invitations, packages etc.) for Headquarters, Department of the Army officials, whether individual desk officers or senior officials, should be sent through Foreign Liaison.

• **Send all correspondence through Army Foreign Liaison.**

Do not send any correspondence directly to any Headquarters, Department of the Army official, regardless of the delivery means. The recommended method of delivery is the Diplomatic Courier Facility. Mark all correspondence clearly. Recommend that you DO NOT send correspondence to Army officials at the Pentagon via the U.S. Postal Service. The fastest, most reliable method is the Diplomatic Courier Facility. (See Section I. F. Additional Information for procedures).

• **Submit all correspondence in English.**

All correspondence addressed to U.S. Army organizations or personnel should be in English or have an accompanying English translation. If correspondence arrives in a language other than English, Foreign Liaison will either return it or hold it until the embassy involved sends an English translation.

• **Address the correspondence correctly.** If correspondence is intended for a specific Army

official, place the name of the individual in parenthesis after the office in the attention line as in the following example: ATTN: DAMI-FL (PERSON'S NAME), or ATTN: Army Foreign Liaison (PERSON'S NAME)

- **Sign all correspondence.** Official correspondence from a Military Attaché office addressed to U.S. Army organizations or personnel must bear the signature and typed or stamped signature block of the accredited Military Attaché, Assistant Military Attaché or embassy employee whom the Military Attaché has granted signature authority.

- **Only send correspondence for Headquarters, Department of the Army officials.** If you have correspondence for organizations and/or personnel outside of Headquarters, Department of the Army, please send it directly. Do not send it to Foreign Liaison. We do not have an internal mail system with which to send it and we are not allowed to pay the postage for your correspondence. You will save time and effort by sending it yourself. Army Foreign Liaison is always ready to advise you on mailing addresses.

b. E-Mail. E-mail is a fast, efficient means of communication. That does not change the rules when it comes to communicating with Army officials.

- **Electronic Invitations.** Electronic invitations, or e-vites, are becoming more popular. Army Protocol and Army Foreign Liaison uses e-vites for some events. Unfortunately, the policy for invitations from embassy personnel to Army officials has not changed. All invitations should be delivered through Foreign Liaison. Attaché offices and embassy protocol offices should send invitations to the Foreign Liaison Protocol Section with a list of all Army personnel on the invitation list.

- **E-Mail to Army Officials.** Again, the rules for contact have not changed. The Letter of Special Accreditation lists the officials with whom you can have contact at any time. For senior Army leaders; that is the Secretary of the Army, Chief of Staff of the Army, Under Secretary of the Army, Vice Chief of Staff of the Army, Director of the Army Staff and Sergeant Major of the Army, attachés are not authorized to send e-mails

directly. If you want to arrange office calls or other meetings with those officials, contact your desk officer in Army International Affairs (G35-R). Any other correspondence should come to Foreign Liaison. For other Army officials, attachés may use e-mail after receiving permission or to make initial e-mail contact to make administrative arrangements, such as checking on availability for a meeting. As a reminder, no meetings with officials not listed in the Letter of Special Accreditation can take place until a Foreign Visit request is submitted and approved.

- c. **Official Correspondence from Army Foreign Liaison.** All correspondence from Foreign Liaison to embassy personnel will be sent to the Military Attaché.

- d. **Mailing Addresses.** Again, we do NOT recommend that you mail anything to Foreign Liaison or any other office in the Pentagon. For information purposes the mailing addresses of Army Foreign Liaison and Army Foreign Disclosure are:

Office of the Deputy Chief of Staff, G-2
Army Foreign Liaison (DAMI-FL)
1000 Army Pentagon, Room 2E424
Washington, DC 20310-1000

Office of the Deputy Chief of Staff, G-2
Army Foreign Disclosure (DAMI-CDD)
1000 Army Pentagon, Room 2E367
Washington, DC 20310-1000

D. Attaché Privileges

1. **Uniformed Services Identification Card and DEERS Enrollment.** As a courtesy, the U.S. Army may extend the privilege of the U.S. Uniform Services Identification Card and DEERS Enrollment (ID card) to eligible active duty foreign military personnel and their dependents assigned in the Military District of Washington area. An ID card allows the designated cardholder access to military installations, installation exchange stores and commissaries. **Army Foreign Liaison cannot extend the ID card privilege to personnel stationed outside the Washington, DC area.**

How to Apply. Please submit a completed Application for Uniformed Services Identification Card and DEERS Enrollment (DD Form 1172) as follows (**Example: Annex A-6**):

Section I: General Policy

- **Military Attachés and Assistant Military Attachés accredited or requesting accreditation.** Submit DD Form 1172 to Attaché Coordination Division with the individual's paperwork requesting accreditation.
- **Embassy Administrative and Technical Staff.** Submit a photocopy of the U.S. State Department Identification Card (both front and back) for each individual for whom an ID Card is requested and a photocopy of the staff member's own national military service identification card with a completed DD Form 1172 to the Attaché Coordination Division.
- **Non-Diplomatic military personnel of NATO nations.** Personnel of these nations who are assigned to units based in the Washington, DC, area should submit (1) a photocopy of the individual's own national military service identification card, (2) a copy of the individual's official NATO Travel Order issued by an authorized office and (3) a completed DD Form 1172 to Attaché Coordination Division.
- **Minimum Age.** Please list all children on the DD Form 1172, so that their names may be entered in the DEERS database. However, children under the age of 10 years are ordinarily not issued an ID card.
- **Maximum Age.** Eligibility for the ID ends at the age of twenty-one unless an individual is in one of the following categories: ID cards are issued to eligible family members over 21 years of age who are incapable of self-support because of a mental or physical incapacity and to family members who have not passed their 23rd birthday and are enrolled in a full-time course of study in an accredited U.S. educational institution above high school level. In both instances, certification is required that each eligible family member over 21 years of age depends on the sponsor for over one-half of his or her support. Additionally, for students over 21 years of age, certification from the university or college must accompany the application stating that he or she is enrolled in a full-time course of instruction.
- **Expiration Date.** The expiration date on an ID card normally will be the military sponsor's anticipated date of departure from the United States. If it is necessary to obtain

a new ID card, a new application must be submitted following the procedure outlined above. Please apply for renewal four weeks before the expiration date of the existing ID card.

- **Return of ID Cards.** ID cards always remain the property of the U.S. Government. It is essential that recipients of ID cards return the cards to the Attaché Coordination Division upon:
 - Expiration of the ID card.
 - Departure from the United States of any individual, including dependents, possessing an ID card.

Offices not returning expired cards or those of departed personnel will jeopardize the extension of this privilege to themselves and the eligible members of their staffs. A strict accounting of cards is necessary to prevent potential misuse.

- **Revocation of Privilege.** The Director of Foreign Liaison reserves the right to take administrative action to suspend or revoke ID card privileges for any illegal or inappropriate activities that would reflect negatively on the Washington Corps of Foreign Military Attachés. Additionally, any such incidents will be reported to the U.S. State Department for possible waiver of diplomatic immunity from criminal prosecution involving foreign personnel.
- **Location of Issuing Facilities.** Upon receipt of the signed, verified DD Form 1172 the applicant may proceed to any of the following locations:
 - Fort Belvoir, VA: Building #213 at 5815 20th Street, between 0730-1600 hours, Monday - Friday. Phone: (703) 805-5578
 - Joint Base Myer-Henderson Hall, VA: Building #202 (Welcome Center), between 0800-1530 hours, Monday - Friday. Phone: (703) 696-3030
 - Walter Reed National Military Medical Center, Bethesda, MD: Building #17, Room 1001, 8901 Rockville Pike, Bethesda, MD. 0700-1600 Monday, Tuesday, Wednesday, and Friday. Walk-ins 0730-1345. PH: (301) 295-0103. No phone appointments. Use

Section I: General Policy

web address: <https://rapids-appointments.dmdc.osd.mil/>.

The locations listed above operate on a walk-in basis and are not open on U.S. holidays. Please call ahead to verify the hours of operation. The military sponsor must be in uniform and must accompany all approved dependents listed on the application in order for their cards to be issued. In order to complete the issuance of identification cards bring two forms of photographic identification (e.g. Diplomatic Passport; State Department ID Card; State Department Driver's License) for all applicants 16 years of age and over when presenting the approved DD Form 1172 for final processing. For children under the age of 16, bring one form of proof of identity.

The verified DD Form 1172 must be presented to one of the locations listed above within 30 calendar days of the date appearing in Section IV of the DD Form 1172.

Applications presented later than 30 days will not be accepted and the applicant will be required to submit another DD Form 1172 to the Attaché Coordination Division for processing.

2. Military Health Care

a. General Policy. In accordance with accepted international procedures, the U.S. Government expects that personnel posted to the U.S. will be in reasonably good health. A military member or dependent that is assigned to the U.S. for the purpose of obtaining Defense (DOD) health care will not be accepted for treatment. Arrangements for medical access for foreign military personnel are based on specific government-to-government reciprocal agreements and vary from country to country.

b. Costs and Availability are as follows:

- **Cost Adjustments.** Costs for medical care in DOD facilities are adjusted on October 1st of each year.
- **Space Availability.** Medical care furnished in uniformed service facilities is subject to availability of space, facilities and capabilities of medical staff to provide such care.
- **Eligibility.** Medical care for foreign military personnel and their authorized dependents within the United States is limited to authorized holders of an ID Card and to those who, in connection with their official

duties, are covered by special agreements or invitational orders.

- **Reimbursement.** The Department of Defense will be reimbursed fully for all medical care provided at a U.S. Service medical treatment facility except as provided for in a Reciprocal Health Care Agreement.
- **Reciprocal Health Care Agreements.** The office of the Assistant Secretary of Defense, Health Affairs, is responsible for the negotiation and conclusion of military health care agreements with foreign nations. Point of contact for this matter is COL Skidmore, at (703) 614-4157.
- **Limitations.** The Department of Defense normally will neither provide nor pay for civilian medical care.

c. Procedures for Arranging Medical Care. In order to obtain medical care in U.S. Service military health care facilities, you must personally register yourself and your dependents at each hospital where you plan to request care. It is highly recommended that you register prior to arriving at a hospital for medical care. Please bring your and your family members' U.S. Military Identification Cards (Present the passport listing dependents under ten years of age who are too young to receive a U.S. Military Identification Card) and, if applicable, a copy of any Medical Memorandum of Agreement between your country and the U.S. to the registering office. Each of your eligible family members will receive an individual hospital card.

To register for Walter Reed National Military Medical Center (Bethesda, MD):

- Please bring your and your family members' U.S. Military Identification Cards and, if applicable, a copy of any Medical Memorandum of Agreement between your country and the U.S. to the Outpatient Records Section of the Patient Administration Office which is located in the main hospital, Building 10, first floor. PH: (301) 295-2126/2139/6606.
- The office is open Monday - Friday from 0700 - 2000.
- For medical emergencies, proceed with the patient to the emergency room, have the patient treated and then register with Walter Reed National Military Medical Center.

Section I: General Policy

- To schedule a primary care appointment, contact the Military Family Health Care Scheduling Hotline at (301) 295-6289. This office is open Monday - Friday from 0700 - 2000 and Saturday from 0800 - 1200.

3. Installation Access. Access to most U.S. military installations in the Washington, DC, area is granted to those individuals who present a valid Uniformed Services ID Card, U.S. State Department-issued ID Card, or a valid passport (photocopies are not acceptable). The driver must have a valid U.S. State Department-issued, or valid state-issued (i.e., Virginia) driver's license. Diplomatic vehicle license plates do not by themselves allow access to military installations.

DOD-issued vehicle windshield decals are no longer required or issued at Joint Base Myer-Henderson Hall.

Please remember that access to military installations is a privilege, not a right. Diplomatic rights and privileges do not exempt anyone automatically from required security screenings.

4. Commissary, Post Exchange, and Morale, Welfare, and Recreation. Foreign military personnel who hold U.S. DoD ID cards authorizing these privileges are eligible to use commissaries, post exchanges and morale, welfare and recreation facilities (MWR) on military installations in the Continental United States.

5. Guest Quarters/Billeting on U.S. Army Installations. Foreign military personnel who hold U.S. DoD ID cards may make reservations for U.S. Army Guest Quarters worldwide by calling the Army central reservation number—1-800-462-7691. Central reservation number for the Navy Guest Quarters is 1-800-628-9466 and Air Force Guest Quarters is 1-800-235-6343. Reservations are available on a space available basis.

6. Officer Clubs in the Washington, DC Area. The Washington, DC Area has several fine Officer Clubs that provide a variety of services. Membership in the Military District of Washington Officers' Club System entitles members to use the facilities of all Army and Air Force Officers' Clubs in Washington, DC and throughout the United States. Membership applications may be obtained directly from any Officers' Club. The telephone number for the Fort Myer Officers' Club membership office is (703) 696-5147.

E. Protocol

1. Precedence of Military Attachés. Rank and date of official accreditation to the U.S. Army determine diplomatic precedence. For Military Attachés promoted after accreditation, the date of promotion and original accreditation determine precedence.

2. Flags. If your country's flag is modified or redesigned, please notify Foreign Liaison in writing and provide a full-color paper copy of your country's new flag.

3. Questions Concerning Social Functions. For questions concerning social functions, please call the Army Foreign Liaison Protocol Section. We ask that you follow these guidelines concerning official social invitations extended to U.S. Army personnel:

- Please deliver invitations to Army Foreign Liaison at least 15 calendar days in advance of the event for the best U.S. Army representation.
- **All invitations extended to Headquarters, Department of the Army Personnel for official social occasions in the greater Washington, DC, area must be sent to Army Foreign Liaison for delivery.** This policy enables Army Foreign Liaison to help you achieve desired attendance by invitees. We ensure all invitations are delivered promptly and monitor responses.
- **PLEASE DO NOT MAIL INVITATIONS.** Deliver invitations directly to Foreign Liaison Protocol Section in Room 2E424, or via the Department of Defense (DoD) Diplomatic Courier located in the Pentagon Remote Delivery Facility (RDF) between 1000-1100 hours, Monday through Friday, except U.S. holidays. Please note that each invitation must reflect complete TO and FROM addresses.
- Invitations extended to U.S. Army general officers and U.S. Army civilian employees of similar rank should be accompanied by a list of all U.S. Service invitees.
- When sending invitations to a number of people for a single event, we recommend you fax a complete list of invitees to Foreign Liaison Protocol at 703-697-8412.
- Prescribing dress in invitations can be confusing, especially for military uniforms. For the next few years, it will be even more

Section I: General Policy

confusing as the Army phases out its Green Uniform and transitions to the new Army Service Uniform, which largely mirrors the current Dress Blue Uniform. During this transition period, Army personnel may wear either the Army Green or Blue Uniform. We emphasize that you at the foreign embassies should not have to guess the appropriate uniform for U.S. Army personnel. Please use one of the standard descriptions for the level of dress: formal (rarely used), semi-formal, informal, casual or very casual and U.S. Army personnel will know the correct uniform to wear.

- The following chart illustrates civilian and military standards of dress:

Category of Dress	Civilian Attire	U.S. Army Uniform
Formal	White Tie	Army Mess Dress Uniform
Semi-Formal	Tuxedo (Black Tie)	Army Mess Dress or Army Service Uniform (Blue) with Black Bow Tie
Informal	Business Suit	Army Service Uniform (Blue)
Casual	Sports Jacket with or without Tie (Invitation should stipulate this)	Army Class B Uniform (Blue) <i>This is rarely used, and is limited to certain events, usually during hot weather.</i>
Very Casual	Shirt and Slacks with or without Jacket. (If more casual attire is desired, such as for a barbecue, the invitation should stipulate this)	None

F. Additional Information

1. **Attaché Newsletter.** Army Foreign Liaison publishes an Attaché Newsletter quarterly to update the members of the Washington Corps of Military Attachés and their staffs. New and revised policies, rosters, as well as current items of interest, are printed in each issue. Military Attachés are urged to take the time to read the Attaché Newsletter carefully and to share it with

support personnel. The Attaché Coordination Division publishes the Attaché Newsletter.

2. **Pentagon Drop-Off and Parking.** Parking at the Pentagon is extremely limited. We recommend that Military Attachés visiting the Pentagon either arrive by Metro or have a driver drop them off, depart, and then return to pick them up after the meeting. Military Attachés on official visits to the Pentagon may be dropped off or park as detailed below.

a. Drop-Off

- There are five entrances to the Pentagon: Metro, South, North, Mall, River, and 5th Corridor. Three of the entrances (Mall, River, and 5th Corridor) are located inside the security fence and require clearance for vehicle access. Vehicle access to the North and South Parking Entrances for drop off and pick up does not require any special clearance. The closest vehicle access to the Metro Entrance is South Parking.
- It is recommended that Attachés use the North Parking Entrance whenever possible for drop-off at the Pentagon. If on an official visit to the office of a three star flag officer, civilian equivalent or higher and being brought by an embassy car with driver, attachés may be dropped at the Mall Entrance.
- Prior notification of at least 24 hours is required to guarantee vehicle access to the Mall entrance. The following information must be submitted telephonically to the U.S. Army organization in the Pentagon that the individual will visit:
 - Date of visit.
 - Name and rank of visitor (the driver of the vehicle must use this name for entry).
 - Official position or title of visitor.
 - Vehicle license plate number.
 - The office or individual to be visited and his or her telephone number.
 - The expected arrival and departure times of the vehicle at the Mall entrance.

b. Self-Driven/Parking

- When on official business, Military Attachés may drive themselves and park in

Section I: General Policy

designated parking spaces if they make arrangements in advance.

- Military Attachés driving to the Pentagon should contact the Army office that they will be visiting to arrange parking clearance. To ensure that there is no problem, you should arrange parking clearance the day prior to a visit. Last minute requests may be unavoidable. In that case, a minimum of three hours advance notice will prevent misunderstandings. Parking clearance requests require the following information:
 - Date of visit.
 - Name and rank of attaché
 - Vehicle diplomatic license plate number.
 - The office or individual to be visited.
 - Expected arrival and departure times.
- There are designated parking spaces for parking in lane 43 in the North Parking Lot or lane 26 in the South Parking Lot. If no parking spaces are available in those lanes, attachés may then park in any lane designated for “C” parking passes.
- Due to the current security environment, Pentagon parking lots are under constant surveillance. **If a Military Attaché parks his vehicle without clearance, or in an unauthorized spot, the vehicle is subject to towing or “booting” and the Military Attaché involved may have to pay a fee to get his vehicle back.**

3. **Pentagon Tours**

- b. **Availability:** Tours are available Monday through Friday from 9 a.m. to 3:00 p.m., and normally last approximately 60 minutes. The program does not operate on federal holidays and weekends. Tours can be reserved up to 3 months in advance. A minimum of two weeks notice prior to the proposed tour date is required. For any additional information, please call (703) 697-1776
- c. **Information Required for Request:**
Information needed: the name of the group and the number of persons in the group; the date and time the tour is wanted and the name and phone number of the person requesting the tour. Tours begin and end at the Pentagon Metro entrance unless special arrangements for pickup and drop-off at another building location are requested.

- d. **Security Rosters:** A security roster (in alphabetical order) including names, dates of birth, and city/state of birth is required no later than three days prior to a scheduled tour date. If requests are submitted via the online submission form, requestors will receive a blank excel document to fill in once the tour is reserved. The Tour will be approved once the completed Security Roster is returned. The online request form is for tour requests only, and should not be used to submit security rosters. The reserved Tour will be canceled if a completed Security Roster is not returned.
- e. **Checking in:** The tour window is located at the Pentagon Metro entrance. Group tour check-in is at the Pentagon Metro entrance unless special arrangements for pickup at another building location are made. The tour window is on the left just inside the entrance in the visitor waiting area.
- f. **Tour Lengths:** Tour length is approximately 60 minutes and includes walking about one and a half miles of Pentagon corridors and several staircases. Visitors should wear comfortable clothing and shoes, must stay to the center of the corridor to allow Pentagon personnel to pass on either side and must keep pace with the tour
- g. **Visitors with disabilities:** Ramp access is available for the physically challenged. Visitors in wheelchairs must be accompanied by someone to push them. A signer will be added to tours for hearing impaired visitors provided two weeks' notice is given. Special tours for the visually impaired can also be arranged with two weeks' notice.
- h. **Language Requirements:** Translation is permitted for group tours that bring approved translators.
- i. **Recording Devices:** No photographs may be taken. No video cameras, tape recorders or any other kind of electronic recording device is permitted at any time.
- j. **Security Briefing:** A security briefing is provided prior to every tour, and all visitors must pass through an airport type security scanning device.
- k. **Security Measures:** To ensure everyone's safety, these guidelines must be followed when taking a tour of the Pentagon. There are no exceptions to these rules and non-compliance will cause the tour to be terminated.

Section I: General Policy

- Arrive 30 minutes before scheduled tour to allow time for processing through building security. Group tours not checked into the tours window by the scheduled tour time will be cancelled.
- There is no *public parking* at the Pentagon. Parking is available at the Pentagon City mall, but it is highly encouraged to use the Metro rail.
- The tour confirmation letter needs to be shown to Pentagon Police personnel upon arrival to the Metro entrance at the Pentagon.
- Food and beverages are *not* permitted on the tour.
- All purses carried into the Pentagon are subject to search. The following items are *prohibited* inside the building: Anyone with these items will not be allowed on tour.
 - Weapons of any sort (e.g. knives, box cutters, mace, pepper spray, etc) that may cause bodily harm and large bags (e.g. knapsacks, camera bags, backpacks and shopping bags, etc).
- The following items are not prohibited inside the building, but cannot be used along the tour route:
 - Electronic devices (e.g. cell phones, picture or video cameras, PDAs, blackberries, laptops, etc) and tobacco products. You are encouraged to leave these in the hotel, bus, or van as it slows processing to the building.

I. Identification requirements:

- Ages 12 and under – ID not required.
- Ages 13 to 17 – require 1 form of photo ID or a parent/guardian to vouch for them.
- Ages 18 and up – require 2 forms of ID (one must be a photo ID, the other may be social security card, birth certificate, club card, or anything with the individual's name on it [excluding business cards]).
- Please contact Pentagon Force Protection Agency directly at (703) 697-1001, (703) 692-7184 or (703) 695-3206 regarding acceptable forms of ID.

4. DOD Diplomatic Courier Facility. We strongly encourage you to use the Diplomatic Courier Facility for all correspondence. It is the fastest and most reliable method to get paperwork to Army Foreign Liaison and any other office in Headquarters, Department of the Army. The DoD Diplomatic Courier is located in the Pentagon Remote Delivery Facility, Room 1J686B, PH: (703) 697-9546.

Access to the Remote Delivery Facility requires prior clearance. Defense Foreign Liaison controls the access roster. To have someone placed on the access roster, contact Defense Foreign Liaison at 703-614-3254. Access to the facility is by the Pentagon Remote Delivery Facility (RDF) entrance gate off Columbia Pike.

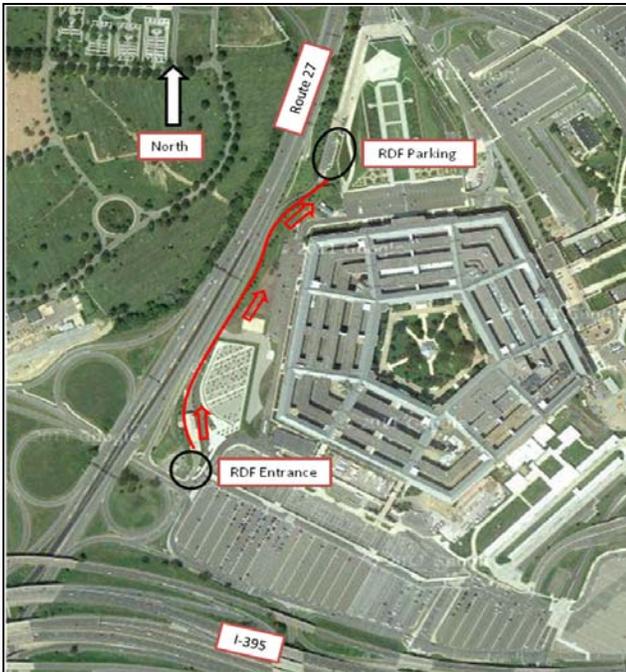

a. From the Memorial Bridge:

- Take Route 27 South towards the Pentagon.
- Take the Pentagon South Parking exit.
- At the end of the ramp (Columbia Pike) merge left, and cross under Route 27.
- Turn left onto the RDF access road.

b. From southbound 395:

- Take the Washington Boulevard exit (8A).
- Take the Columbia Pike exit towards the Pentagon (eastbound) and follow Columbia Pike toward the Pentagon South Parking Lot.
- Cross under the Highway 27 overpass, and turn left onto RDF access road.

After clearing the gate, follow the road down the hill to the parking area. The first three parking spaces on the right are reserved for courier parking. If these are in use, you may park in the first bay of the loading dock near the building walkway. The facility is open Monday through Friday, except U.S. holidays, from 1000 - 1100 hours.

The DoD Diplomatic Courier provides same day service to all Foreign Liaison Offices located in the Pentagon. It can also be used to send correspondence to any addressee located in the Pentagon (excluding the NATO Central Registry) within a day or two, whereas the U.S. Postal Service can take as long as a month. Additionally, utilization of the courier facility for addresses located in the Pentagon can greatly reduce your embassy's postal costs. The following simple rules must be followed when using the DoD Diplomatic Courier:

- At a minimum, the TO address must contain the addressee's name, organization and Pentagon room number.
- Please send letters/packages to U.S. Army personnel whose offices are not located in the Pentagon directly to their office address.
- Embassies must make arrangements with NATO Central Registry personnel for pick up of items addressed to the NATO Central Registry and/or NATO Classified Material. Call (703) 602-0679.
- Your designated courier/driver must have prior clearance through the Defense Foreign Liaison office in order to gain access to the RDF. Please call Defense Foreign Liaison at (703) 614-3254 to place your representative on the clearance list.

Applicant information is subject to computer matching within the Department of Defense or with other Federal or non-Federal agencies. Matching programs are conducted to assure that an individual eligible under a Federal program is not improperly receiving duplicate benefits from another program. A beneficiary or former beneficiary who has applied for privileges of a Federal Benefit Program and has received concurrent assistance under another plan will be subject to adjustment or recovery of any improper payments made or delinquent debts owed.

DISCLOSURE: Voluntary; however, failure to provide information may result in denial of a Uniformed Services Identification Card and/or non-enrollment in the Defense Enrollment Eligibility Reporting System. I am aware that medical care furnished in uniformed services facilities is subject to availability of space, facilities, and the capabilities of the medical staff to provide such care. Determinations made by the medical officer or contract surgeon, or his/her designee, as to

availability of space, facilities, and the capabilities of the medical staff shall be conclusive.

Reimbursement shall be required for any unauthorized medical and dental care furnished at government expense. Copies of regulations concerning eligibility requirements are available in the Service Personnel Offices.

By signing this document, the sponsor or applicant certifies that he/she is aware that eligibility for benefits under the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS) terminates for all beneficiaries, except spouses and children of active duty members, and certain disabled beneficiaries under 65, when the beneficiary becomes eligible for Medicare Part A, Hospital Insurance, through the Social Security Administration.

SECTION II:

VISITS TO U.S. ARMY ORGANIZATIONS, OFFICIAL CONTACT WITH U.S. ARMY PERSONNEL AND REQUESTS FOR DOCUMENTS AND INFORMATION

PURPOSE: Section II provides guidance to foreign Military Attachés diplomatically accredited to the United States (U.S.) Government and other representatives of foreign governments or international organizations wishing to conduct official business with Department of the Army (DA). For the purposes of this manual, the term Military Attaché applies the principal Military Attaché, Assistant Military Attachés, and designated representatives of international organizations. All requests for official visit authorizations (RVA) to DA organizations and to Department of Defense (DOD) contractor facilities shall be submitted as described in this guide.

A. International Visits Program (IVP)

1. U.S. Army Management. The Office of the Deputy Chief of Staff, G-2, Foreign Disclosure Division (DAMI-CDS), is responsible for the development of DA policies and procedures for foreign disclosure, the international visits program, and the Foreign Liaison Officer program.

2. Requests for Visit Authorization (RVA).

All requests for visit authorizations must be submitted through the Office of the Deputy Chief of Staff G-2, Foreign Disclosure Branch via the Foreign Visit System (FVS) or, where that is unavailable, via fax or email to the respective Regional Desk Officer.

An RVA is not required to accomplish the following:

- Visits by an accredited Military Attaché to personnel and their immediate offices identified in the Attaché's Letter of Special Accreditation issued by the Director of Army Foreign Liaison.
- Visits by foreign nationals who are not representing their government in an official capacity.
- Reciprocal exchanges of units for training purposes.
- Cross-border movements of United States and Canadian forces.
- Visits conducted at contractor facilities that do not involve a U.S. Army program and are not on the grounds of U.S. Army installations.
- Visits by Canadian persons under the U.S.-Canada Joint Certification Program as identified in the DOD Pamphlet, "U.S.-Canada Joint Certification Program," published by the Office of the Under Secretary of Defense for Policy (OUSD(P)), dated March 1991.
- Visits for activities that are open to the public or hosted by the Public Affairs Office, such as social activities or international sporting events.
- Visits for authorized routine or emergency medical treatments.
- Participation in non-DoD sponsored tours. (Examples: Department of Homeland Security, Department of State, Department of Energy, United Nations or Environmental Protection Agency).
- Visits by representatives of NATO commands or agencies, or NATO International Staff, which involve access to only NATO information. (Visitors under this exception may not engage in U.S. Army business-related topics or issues).
- Visits by representatives from the United Kingdom, Canada and Australia to conduct unique business under the ABCA Armies Standardization Program. (Visitors under this exception may not engage in national business-related topics or issues).

3. Visit procedures: See chart on following page.

VISIT PROCEDURES

RVA shall be submitted to the U.S. Army through the automated Foreign Visit System (FVS) in all cases where the Military Attaché or his staff has access to FVS.

One-Time and Recurring Visits

Extended Visits

• **One-time visit.** Contact by foreign representatives with a DoD component or DoD contractor facility for a single short term occasion (normally fewer than 30 days) for a specified purpose.

• **Recurring Visit.** Intermittent, recurring visits by foreign representatives with a DoD component or DoD contractor facility over a specified period of time (less than one year) for a government approved license, contract, agreement or other program when the information to be released has been defined and approved for release in advance by the U.S. Government, subject to annual review and revalidation. Note: Recurring visits may NOT be used to authorize a continuing presence of a foreign representative for the duration of the visit request in order to effectively assign a foreign government representative.

TO SUBMIT A ONE-TIME OR RECURRING VISIT REQUEST:

1. Submit request at least **30 days** prior to visit through FVS
2. RVA contains complete and accurate information concerning the nature, purpose, locations and duration of the visits, as well as identification data regarding the visitor(s).

• **Extended Visit.** A single visit by a foreign representative **located in the United States** for a duration that exceeds 30 days. Extended visit authorizations are to be used when a foreign representative is required to be located at or in continuous contact with a DOD component or a DOD contractor facility beyond 30 days, for one of the following situations:

1. A foreign government contract, joint program, agreement, or license;
2. Certification as a Military Personnel Exchange Program (MPEP) participant, Foreign Liaison Officer (FLO), Standardization Representative (STANREP), Engineer and Scientist Exchange Program (ESEP) participant, or Cooperative Program Personnel (CPP) participant.
3. NOTE: MPEP, FLO, STANREP, ESEP or CPP cannot also be accredited as an Attache.

TO SUBMIT AN EXTENDED VISIT REQUEST:

1. Submit request at least **90 days** prior to visit through FVS
2. RVA contains complete and accurate information concerning the nature, purpose, locations and duration of the visits, as well as identification data regarding the visitor(s).
3. Attachés must provide a photo and biography 90 days prior to the start of an extended visitor's visit start date; ideally submitted in conjunction with the RVA. For guidance please see Attaché Responsibilities below.

In those cases in which the Military Attaché or his staff does not have access to FVS, the RVA may be submitted by fax to 703-695-3149 or by emailing the Regional Desk Officer following the format in Annex B-1. Visits in the following geographical areas may be arranged by directly contacting the local commander. This applies to:

- Commander, U.S. Army Europe and Seventh Army (USAREUR), for visits to elements in Western Europe. Requests are to be submitted directly to: Commander-in-Chief, USAREUR, ATTN: ODCSINT, Unit 29351, APO AE 09014.
- Commander, U.S. Army Japan (USARJ) and IX Corps, for visits to Headquarters, USARJ and its subordinate elements in Japan. Requests are to be submitted directly to: Commander, USARJ and IX Corps, APO AP 96343.
- Commander, Eighth U.S. Army, for visits to Headquarters, Eighth U.S. Army, and its subordinate elements in the Republic of Korea. Requests are to be submitted directly to: Commander, Eighth U.S. Army, ATTN: AJPP0, APO AP 96205-0009.

4. Timelines for submitting RVA. All RVA must be submitted at least **30 days** prior to the start of the proposed date of the visit unless covered by an exception below. Requests that are not submitted in a timely manner may be returned without action. There are **five** exceptions to the 30-day requirement:

- Extended RVAs where an individual is participating in an integrated or long-term government-to-government program must be submitted **90 days** in advance of the start date.
- Visits to the National Training Center (NTC), at Fort Irwin, California, which requires RVA to be **submitted 45 days in advance**, as training at the facility is cyclic.
- Visits to the Joint Readiness Training Center (JRTC), at Fort Polk, Louisiana, which requires RVA to be **submitted 45 days in advance**, as training at the facility is cyclic.
- Visits during the annual holiday moratorium. Each year the Office of the Deputy Under Secretary of Defense, Policy Support, (Foreign Visits System) sends a letter informing embassy personnel of a holiday moratorium. RVA submitted for visit dates during the moratorium timeframe will be returned without action unless the visit is to attend a previously scheduled conference, meeting, or is mission essential. The moratorium is necessary, because DOD activities traditionally operate at reduced levels during the Christmas holiday period. (Visits submitted during the holiday moratorium for visits to occur after the moratorium period will be accepted for processing.)
- Emergency Visits. A visit request submitted within 7 calendar days of the proposed visit. The request must state a specific government approved contract, international agreement, or announced request for proposal. The request must fully explain and justify the reason for the late submission. The requestor must alert the Regional Desk Officer of the emergency visit by phone or email. Emergency visits are only approved as a single, one-time visit, and cannot be amended.

5. Security Assurance Certification. When a visit request is submitted, an embassy is certifying that the following conditions will be met with respect to the visitor and the information the visitor obtains during the visit:

- That the requesting government is officially sponsoring the visit.
- That the visitor(s) is/are authorized by the government of the requesting embassy to receive the information on behalf of that government.
- That the information the visitor(s) obtain(s) during the visit will not be released or made known in any other manner to any other nation, or nationals thereof without the written approval of the United States Government.
- That the visitor(s) and the government represented will afford the information the same degree of security protection afforded to it by the United States Government.
- That the information will be used for purposes specified in the visit request and for no other purpose.
- That dissemination will be limited to persons who require the information in the performance of their official duties.
- That the rights of the individual or organization which originates or develops the information will be respected and protected in accordance with the patent laws of the country of the originator.
- That any known or suspected compromise or unauthorized transfer of the information received as a result of the visit will be promptly reported to the United States Government.
- Embassies that use the automated FVS will certify that these conditions are met by verifying a Statement of Official Sponsorship and Security Assurance prior to submitting a RVA. Visit requests submitted by any means other than the automated FVS must include a security assurance statement as shown in Annex B-1; and the request must be signed by an attaché accredited to the U.S. Department of Defense.

Section II: Visits to U.S. Army Organizations

Official Contact with US Army Personnel & Requests for Documents and Information

- Faxed, emailed or mailed visit requests that do not include the Statement of Official Sponsorship and Security Assurance will be returned to the embassy without action.

6. Amendments to RVA.

- All modifications to approved visits will be proposed by amendments submitted through the FVS for consideration. Embassies which do not have online FVS capabilities must submit amendments to ODCS G-2, Foreign Disclosure Branch via fax or email. The amendments submitted via fax or email may take longer to process.)
- Prior to submitting the proposed amendment through the FVS, the attaché must contact the designated Visit Contact Officer at the hosting command. Once the Visit Contact Officer concurs with the proposed modifications to the approved RVA, the attaché must ensure an amendment is submitted through the FVS. The amendment submission should reference the concurrence of the Visit Contact Officer.
- Amendments may only accomplish the following:
 - Add or delete names of visitors (Additions require complete identifying data).
 - Change originally proposed dates(s) to **LATER** date(s).
 - Cancel a previously submitted RVA, whether pending or approved.

7. Visitor Responsibilities.

- Visitors must notify the contact officer specified on the approved RVA at the organization or facility to be visited at least 72 hours (excluding Saturdays, Sundays, and holidays) in advance of each visit.
- All military visitors must wear the appropriate military attire of their respective country unless otherwise directed.
- Visitors must have, in their possession, at least 2 personal identification documents that depict a photograph, an identification

number, date of birth, and nationality. Passports are generally recommended as a form of identification that meets these criteria.

- It is recommended that visitors must know the applicable visit authorization (RVA) number when arriving at the installation.
- Visitors **MAY NOT** arrive at any facility until the visit request for the visitor to that facility is approved.
- Visitors must be prepared to pay all expenses associated with the entire visit (i.e., travel, lodging, meals, etc).
- Visitors who are general/flag officers or civilian equivalent rank/grade must include biographical data on the RVA. This includes biographic information concerning visitors of general officer rank and civilians holding equivalent government appointments.
- Visitors must provide, and the embassy must ensure that the RVA contains, complete and accurate information concerning the nature, purpose, locations and duration of the visits, as well as identification data regarding the visitor(s).
- The visitor(s) must identify the specific purpose of the visit, and the attaché must verify that the subject is under the cognizance of the U.S. Army. If not, the attaché must identify the appropriate Defense component and the visit purpose must note that information.
- The visitor(s) must have adequate English language capability or, if necessary, arrange to bring an interpreter.

8. Attaché Responsibilities.

- Attachés must ensure visitors are aware of their responsibilities as listed above.
- Attachés must ensure that the RVA contains complete and accurate information concerning the nature, purpose, locations and duration of the visits, as well as identification data regarding the visitor(s).
- Attachés must verify that the subject of each visit is under the cognizance of the U.S. Army. If not, the attaché must identify

Section II: Visits to U.S. Army Organizations

Official Contact with US Army Personnel & Requests for Documents and Information

U.S. Army Foreign Liaison Directorate *Military Attaché Guide January 2012*

the appropriate Defense component and the visit purpose must note that information.

- Attachés must provide a photograph and biography in conjunction with a RVA at least 90 days prior to the start of an extended visitor's visit start date for each extended visitor certified to the U.S. Army as a Military Personnel Exchange Program (MPEP) participant, Foreign Liaison Officer (FLO), Standardization Representative (STANREP), Engineer and Scientist Exchange Program (ESEP) participant, or Cooperative Program Personnel (CPP) participant. For each extended visitor, attachés shall submit a completed biography form (Annex B-3), or online at <http://www.dami.army.pentagon.mil/pub/dami-fl/Annex%20B-3%20Biographical%20Form.rtf>. In addition, attachés shall submit a photo of each certified visitor; photos must be a full-body photo in military uniform or appropriate civilian attire as a .gif or .jpeg file. Biographies and photos should be sent by email to ODCS G-2, Foreign Disclosure Branch at the following email address: Certified.Visitors@mi.army.mil. **Extended visitor RVA WILL NOT be approved without receipt of a biography and photograph; instead, RVAs will be returned without action prior to the start date of the visit.**

-

- Itineraries, arrangements for travel, transportation, lodging and other administrative matters associated with a visit are the responsibility of the Military Attaché and his staff. Country desk officers in the Office of the Deputy Chief of Staff, G-3 (Army International Affairs Division, G-35-R) are available to offer advice. The name and contact information for the appropriate G-35-R country desk officer is provided in the attaché's Special Letter of Accreditation.

9. Informal Coordination. Foreign representatives are permitted to contact DA offices or staff elements for informal coordination of administrative details only. This coordination does not eliminate the need for an RVA. The proposals and requests become official only upon the

submission of an RVA to ODCS G-2, Foreign Disclosure Branch.

10. Visits by Formal Invitation. On occasion, DoD officials invite foreign representatives to visit U.S. Army facilities and installations to attend meetings or conferences. When foreign visitors are invited to travel to Army facilities or installations on Invitational Travel Orders (ITO) or honorariums published by a competent authority, these visits still require a foreign visit request. Likewise, if the inviting Army organization elects not to issue ITO or honorariums to the visitors, the embassy must provide an RVA, and if possible, a copy of the invitation. All the conditions as described in the "attaché responsibilities" apply to these types of visits.

10. Decision Types. After receipt of a complete RVA that meets all administrative processing requirements, the U.S. Army will coordinate the visit and then provide the embassy one of the following responses:

- **Approval:** Approval indicates that the visit is part of a valid government-to-government program, project or agreement under the auspices of the Department of Defense. If the visit is to a U.S. contractor facility, it is important to note that despite approval by the U.S. Army, the host company retains the right to decline the visit. Therefore, upon receipt of an approval for a visit request to a commercial facility, the embassy or visit delegation is responsible for contacting the commercial facility directly to coordinate site access.
- **Non-sponsored:** This type of approval is exclusive to visit U.S. defense contractors. "Non-sponsored" means the U.S. Army has "no objection" to the visit provided the contractor has obtained the necessary commercial export authorization or plans to release information that is not export controlled. In this case, the embassy may make its own arrangements for the visit directly with the contractor facility. If the embassy provides a correct fax number or email address for the Security Office of the contract facility, the U.S. Army will forward the visit request to the fax number or email address provided. It is important to note that despite a "non-sponsored" approval by the U.S. Army, the host company retains the right to decline the visit. Therefore, it is imperative that the embassy or visit

Section II: Visits to U.S. Army Organizations

Official Contact with US Army Personnel & Requests for Documents and Information

delegation contact the commercial facility directly to coordinate site access.

- **Deny:** If the U.S. Army denies a visit, the response will always contain a reason for the denial. If the U.S. Army denies a visit to a U.S. contractor, the commercial facility may accept the visit through direct arrangements with the visitor. However, the contractor may not release export-controlled information on the subject matter that was denied.
- **Return without action:** Visits are returned without action when an RVA: does not meet the minimum administrative processing requirements; does not contain all the necessary information and/or the request could not be coordinated appropriately within Department of Defense. RVAs that are returned without action may be corrected by the embassy and resubmitted for reconsideration.
- **Cancel:** Upon the request of the Embassy.

B. Acquiring U.S. Army Publications and Information

DA expects that most of a foreign Military Attachés' requirements for information produced by, for, or about the U.S. Army and its activities can and should be satisfied by DA's international visits program. DA recognizes that, occasionally, a Military Attaché will have a further need for written documents. DA is prepared, within existing U.S. laws and DoD policies, to respond to such needs in a timely manner.

There are some cases where a Military Attaché may receive a tasking from his government requesting information in a subject area about which he has little or no knowledge. This type of unclear tasking makes it difficult for the Military Attaché to prepare an appropriate request for documentary information or visit request. In cases like this, the submission of a simple letter or email to your Regional Desk Officer in ODCS G-2, Foreign Disclosure explaining your government's tasking before you labor over a formal request is advisable. Foreign Disclosure is well equipped to review your letter and advise which route is most appropriate.

1. Policies.

- All requests for releases of DA information to foreign representatives, regardless of

the form—oral, visual or documentary—must be on official government stationery and include a "Statement of Official Sponsorship and Security Assurance." This is the same "Statement of Official Sponsorship and Security Assurance" as required on all RVA and requests for accreditation.

- Only those requests for documentary information, which are in written form as outlined in Annex B-2, online at <http://www.dami.army.pentagon.mil/pub/damif/annex-b2.doc> and signed by the Military Attaché or a person to whom the Military Attaché has officially delegated such authority, will be accepted for processing. **Fax or official email requests will not be honored or acted upon if the Military Attache has not signed the request. Verbal or personal emails will not be processed.**
- Requests for documentary information not under the jurisdiction of DA cannot be processed by the U.S. Army. Such requests must be submitted to the appropriate authority for the Navy, Air Force or the Defense Intelligence Agency.

2. Documents Available for Purchase. DA reserves the right to assess fees in accordance with established rates prescribed by U.S. law and DOD policy. DA expects that the bulk of a Military Attaché's requirements for documentary information produced by, for, or about the U.S. Army and its activities can be purchased through one of the following sources.

- The Government Printing Office online bookstore at: <http://bookstore.gpo.gov>.
- The National Technical Information Service Springfield, Virginia 22161 703-605-6000 <http://www.ntis.gov>
- Defense Technical Information Service <http://www.dtic.mil/>
- Foreign Military Sales (FMS) Publication Accounts for those countries eligible for FMS:

The action agency for establishing a FMS Publication Account is the U.S. Army Security Assistance Command (USASAC). Please contact

your USASAC central case manager (CCM) or country program manager (CPM) to establish a FMS Publication Account. If you are uncertain of your CCM or CPM or have other questions, call 703-806-2216 and request a phone number and name. USASAC's mailing address is: USASAC, ATTN: Foreign Disclosure Office, 5701 21st Street, Bldg 216, Fort Belvoir, VA 22060-0001.

3. Information Not Available for Purchase.

If the desired information is not available through the sources listed previously, it may be requested through ODCS G-2, Foreign Disclosure. The request must be submitted on official embassy letterhead and should follow the format of the Request for Document or Information (Annex B-2) or online at:

- <http://www.dami.army.pentagon.mil/pub/dami-fl/annex-b2.doc>. The most efficient way to submit these requests is via email to FDRFI@mi.army.mil. You may also fax the requests to 703-695-3149. Please alert your Regional Desk Officer in Foreign Disclosure before you send a fax.

4. Requirements. All requests for information to the Office of the Deputy Chief of Staff, G-2 must:

- State that the information is not available through the GPO, NTIS, Internet or FMS.
- Contain a "Statement of Sponsorship" as outlined in the format of the Request for Document or Information (Annex B-2) which is also available online at <http://www.dami.army.pentagon.mil/pub/dami-fl/annex-b2.doc>.
- Be signed by the Military Attaché or a person to whom he has delegated signature authority. (An example of an appropriate letter format is located at Annex B-2 to this section.)
- Include official email address or fax number where the requested information can be sent.

5. Internet Access. Many U.S. Service documents and forms are available at the U.S. Department of Defense Internet homepage, DEFENSE LINK. DEFENSE LINK may be accessed using the following Internet addresses:

- <http://defenselink.mil/>
- <http://www.dtic.mil.defenselink>

- Please consult these sites before submitting an official request for information.

6. Documents That Are Not Releasable.

Bibliographies, indexes and similar listings are not releasable and should not be requested. Documents written by students in U.S. Army schools do not represent official U.S. Army policies or doctrine and are not releasable. Documents in draft form are not considered official publications and are not available for release.

C. Foreign Liaison Officer (FLO) Program

1. Purpose of the U.S. Army FLO Program.

The Army Foreign Liaison Officer (FLO) Program was established to facilitate cooperation and mutual understanding between the U.S. Army and the armies of allied and friendly nations.

2. Definition of Terms and Role of FLOs.

A FLO is a foreign government military member or civilian employee who is authorized by his or her government and is certified by a DA command or agency in connection with programs, projects or agreements of interest to the governments. FLOs are expected to present the views of their parent government regarding issues of mutual interests, namely those that may be raised by the DA command or agency to which they are certified. Personnel certified as FLOs to U.S. Army commands may not also be accredited as attaches.

3. Management of the U.S. Army FLO Program.

ODCS G-2, Foreign Disclosure Branch is responsible for the management of the FLO program, including the negotiation and signature of FLO Memorandums of Agreement (MOA) and/or FLO Memorandums of Understanding (MOU); the establishment of all FLO positions and administrative positions in support of FLOs; the relocation of all FLO and administrative support positions; and the termination of all FLO and administrative support positions. For questions regarding such matters, please contact Mr. Jim

Section II: Visits to U.S. Army Organizations

Official Contact with US Army Personnel & Requests for Documents and Information

Bright at 703-695-1096 or
James.Bright@us.army.mil.

4. Types of FLOs.

- Operational FLOs: An operational FLO is a foreign government representative who is assigned to a DA command or agency pursuant to a documented requirement to coordinate operational matters, such as combined planning or training and education. Thus, a country-specific liaison officer agreement between the U.S. Army and each foreign army participating in the FLO program, such as a FLO MOA or FLO MOU, is a prerequisite for establishment of operational FLO positions.
- Security Assistance FLOs: A foreign government representative who is assigned to a DA element or contractor facility pursuant to a requirement that is described in a Letter of Acceptance (LOA). Thus, an LOA is a prerequisite for the establishment of Security Assistance FLO positions. This type of FLO also includes foreign representatives who are assigned to U.S. Army commands or activities under Invitational Travel Orders (ITO) to perform specific administrative oversight functions regarding student of their respective governments.

5. Establishment of FLO Positions. Foreign governments which have concluded a FLO MOA /MOU or an LOA with the U.S. Army may propose establishment of a FLO position or administrative support position to a FLO at a DA command or activity by initiating a request for establishment of a FLO position. Such requests must:

- Be submitted on embassy letterhead
- Outline description of proposed FLO duties
- Be signed by attaché accredited to the U.S. Army
- Be emailed or faxed to Jim Bright at James.Bright@us.army.mil or 703-695-3149
- Or, be mailed to:
HQDA, Office of the Deputy Chief of Staff,
G-2
(DAMI-CDS Foreign Disclosure)
1000 Army Pentagon
Room 2D350
Washington, DC 20310-1000

6. Relocation, Termination, and Review of Existing FLO positions. Requests to relocate an existing FLO position must be submitted in writing to ODCS G-2, Foreign Disclosure on embassy letterhead and be signed by an accredited attaché. Relocation requests must provide a justification for the request to relocate a FLO position. ODCS G-2, Foreign Disclosure also periodically reviews all FLO positions and administrative positions that support FLO positions. Positions that are not being consistently and effectively utilized may be proposed for termination or relocation.

7. Administrative Support to FLOs.

Occasionally, a FLO requires administrative support personnel to assist him/her with the duties assigned by his/her government. In such instances, the FLO's government, via an accredited military attaché, may submit a request to establish an administrative position in support of a FLO. Such requests must be submitted in accordance with the same requirements and process outlined above for establishment of a FLO position. However, administrative support personnel are not authorized to request or receive information from DA commands or activities.

8. Attaché Responsibilities. DA views the attaché accredited to the U.S. Army as the military official responsible for all matters pertaining to FLOs certified to the U.S. Army and administrative positions in support of FLOs certified to the U.S. Army, including FLO MOA/MOU establishment and amendment; FLO position establishment, relocation, termination, and review; visit requests; photographs and biographies; and misconduct.

**INSTRUCTIONS FOR COMPLETION OF A
REQUEST FOR VISIT AUTHORIZATION LETTER FORMAT
(PLEASE PREPARE ON EMBASSY LETTERHEAD STATIONERY)**

General Instructions: Please avoid the use of acronyms in providing personal data requested by the RVA.

BLOCK 1: Each request must bear a distinctive and unique identifying combination of letter and numbers. The identifying reference will follow the Department of Defense Foreign Disclosure and Technical Information System (FORDTIS) format. The identifying reference will be formulated as follows:

- A country identifier followed by the calendar year in which the request is submitted.
- This will be followed by a hyphen.
- The hyphen is followed by a letter that indicates the section of the embassy that is originating the request. (It is the option of the submitting embassy to make this distinction. However, a letter must be included.)
- The letter is followed by an annual four (4) digit serial number.

For example: SZ01-A0001 would indicate the first RVA submitted by the Swiss Embassy in 2001. GE01-A0001 would indicate the first RVA submitted by the German Embassy in 2001.

BLOCK 2: Enter today's date.

BLOCK 3: Select and enter the address for DAMI-CDD if the visit is to a U.S. Army installation/activity located within the continental United States. Addresses for U.S. Army installations/activities located outside the continental United States are listed at the first page of this Section. Requests should be sent directly to the addresses given.

BLOCK 4: Enter full name and rank/title of each prospective visitor. The minimum requirement is last/family name (surname) first/given name, middle initial and rank/grade. The surname may be capitalized or underlined. For example: STUART, James Ewell Brown, General. For general/flag officers or the civilian equivalent rank/grade, please attach biographical information on the visitor applicant.

BLOCK 5: Enter the means by which the identity of each prospective visitor may be positively verified by the host. This may be either: Date and place of birth (DPOB), military or government service identification number, or passport number. It is essential that the prospective visitors have evidence of that means of identification in their possession during the visit.

BLOCK 6: Enter the citizenship (nationality) of each visitor.

BLOCK 7: Enter the level of access to classified information to which each individual is cleared by the requesting government.

- NATO member nations only. The foregoing, in conjunction with the standard security assurance (paragraph 6 of the request form), is sufficient only for exchanges of information on a bilateral government-to-government basis.
- If exchange of/access to NATO information is required, a NATO security clearance certificate must be provided in accordance with Enclosure "C" to NATO document C-M (55)15(FINAL) and be appended to the request for visit authorization.

BLOCK 8: Enter the government agency or department or commercial firm represented by each prospective visitor.

BLOCK 9:

Enter only one specific facility, organization, command, agency or commercial firm, and its precise geographical location on each request. Citing only an installation (e.g., Fort Belvoir, VA) is not sufficient. Several diverse organization, facilities, commands and agencies often are located on the same installation.

- Similarly, citing only an organization, command or agency is not sufficient, as elements may be situated at more than one location.
- Entries for commercial firms must include the complete mailing address (i.e., street name and number or post office box, city, state, and zip code.)
- It is the responsibility of the requesting Military Attaché to obtain and provide this information.

BLOCK 10: Enter the actual date or period of time (date-to-date) of the visit by “day-month-year.” If applicable, indicate an alternate date or period in brackets.

BLOCK 11:

- The stated purpose of a proposed visit is the single most important basis for visit planning by the prospective host. It may not be altered by amendment, nor are hosts normally inclined to be respond favorably to attempts to expand the purpose once a visit has begun. Consequently, the requesting Military Attaché should ensure that the purpose statement is expressed clearly and in detail. If such details are not readily available, the Military Attaché should withhold submission of the request until such details are made available by the prospective visitor(s).
- The purpose statement should convey what specific topics are desired for discussion and why such discussions are of benefit to the requesting government. Major topics should be subdivided into specific issues, and major equipment items or weapons systems should be subdivided into specific components. As a general rule, the requesting Military Attaché must be guided by the premise that no amount of detail can ever be too great.
- Please avoid the use of acronyms in completing Block 11.
- The following are examples of acceptable and unacceptable purpose statements:
 - Unacceptable: Discussions on the M-1 tank.
 - Acceptable: Discussions on engine, drive train and cooling system employed on the M-1 tank.
 - Unacceptable: Discussions within the framework of Data Exchange Agreement (DEA) XX-XXXX.
 - Acceptable: Discussions on ways to reduce large caliber gun tube erosion, stress and fatigue, under the auspices of DEA XX-XXXX.
 - Unacceptable: Briefings on air defense systems in use by the U.S. Army.
 - Acceptable: Briefings on operational capabilities, crew training and maintenance requirements associated with fielding of the following air defense, systems: Improved HAWK, Chaparral and Patriot.

BLOCKS 12, 13, 14, 15 AND 16: The five specific items depicted (Paragraph 4a-e) are designed to support the purpose statement and to facilitate evaluation and coordination of particular aspects of the proposed visit. These items must be typed on each request and appropriate responses entered at the time of preparation. The absence of the items and/or responses will result in the request being returned without action. **If a specific point of contact is not known, please enter “UNK.”**

BLOCK 17: Entries in the Remarks section are optional but may include such information as:

Annex B-1: Letter Format for Request for Visit Authorization

- Name and telephone number of an Embassy point of contact familiar with the details of the visit.
- Reference to previous requests or other actions having a potential bearing on the current request.
- Explanation of/justification for entries in previous items.
- English language capability of the visitor(s).

BLOCKS 18, 19, AND 20:

- Enter official name of the country the visitor(s) will be representing in Blocks 18, 19 and 20.
- The wording of the sponsorship/security assurance statement (with Blocks 18 and 19 correctly filled in) **must appear verbatim as shown on the request format** on each RVA. If the request is reformatted or is not contained on one page, this statement **must appear immediately above the Military Attaché's or other responsible embassy official's signature. This statement serves as the sole and exclusive legal basis for the government-to-government exchange of official information.**
- If the requesting government does not wish to officially sponsor a particular visit, but instead is submitting the request merely to satisfy a U.S. requirement or to facilitate interaction between a private citizen and the U.S. Army, the sponsorship/security assurance statement is to be crossed out and the following statement entered in REMARKS: **"This Visit is not officially sponsored by the government of (INSERT NAME OF COUNTRY), which accepts no responsibility for the activities of the visitor."**

BLOCK 21: Requests for Visit Authorization must be signed by a Military Attaché or embassy official complete with signature block and embassy seal as prescribed in Paragraph D3 of Section I of the Military Attaché Guide.
