SUBJECT: Delegation of Authority for Defense Civilian Intelligence Personnel System (DCIPS) Implementation

1. References:

a. Department of Defense Directive 1400.35, Defense Civilian Intelligence Personnel System (DCIPS), September 24, 2007.

b. Under Secretary of Defense, dated July 14, 2008, subject: Approval of Final Interim Regulations for Implementation of the Common Defense Intelligence System Architecture.

2. The Department of Defense (DoD) established DCIPS as the only civilian personnel system for defense intelligence positions, employees, and organizations designated as having an intelligence function in DoD Instruction 1400.25, Volume 2001, December 29, 2008. Consistent with this Instruction, Army is undertaking efforts to implement DCIPS in the near future.

3. Reference 1a provides that the Secretaries of the Military Departments shall supplement such DCIPS policies, procedures, requirements, and guidance, as appropriate, consistent with DoD policy. I respectfully request that you delegate to me the authority delegated to you in this issuance. I intend to further delegate this authority to the Deputy Chief of Staff G-2 with direction to implement and administer DCIPS for Army and issue necessary supplemental policy guidance to implement DCIPS in accordance with DoD direction. A delegation memorandum for your consideration and signature is enclosed.

4. Reference 1b approved final interim DCIPS regulations for use by Defense Intelligence components until such time as final separate issuances are issued. To implement DCIPS within the Army, we intend to initially adopt interim guidance, supplemented by Army guidance where needed, until DoD issues final regulations.
