UNITED STATES OF AMERICA

THE NATIONAL GUARD

Americans are familiar with the National Guard's role in natural disasters—saving lives and protecting property. Most know the Guard is playing a key role in the war on terror in Iraq, Afghanistan and here at home. Yet few Americans know of the Guard's role as goodwill ambassadors around the world.

The State Partnership Program links the National Guard through the states and territories with 50 countries. National Guard Soldiers and Airmen apply both military and civilian skills to foster democracy, encourage economic development and promote regional cooperation and stability. These Partnerships create long-term, friendly relationships. The result is greater security for all Americans.

Always Ready. Always There.
