
INTELLIGENCE COMMUNITY DIRECTIVE NUMBER 707

CENTER FOR SECURITY EVALUATION (EFFECTIVE: 17 OCTOBER 2008)

A. AUTHORITY: The National Security Act of 1947, as amended; Executive Order 12333, as amended; Executive Order 12656, as amended; Executive Order 12958, as amended; Public Law 100-204, as amended; National Security Presidential Directive-51; and other applicable provisions of law.

B. PURPOSE: This Intelligence Community Directive (ICD) establishes the roles and responsibilities of the Director of National Intelligence (DNI) Center for Security Evaluation (CSE).

C. APPLICABILITY: This directive applies to the Intelligence Community (IC), as defined by the National Security Act of 1947, as amended; and other departments or agencies that may be designated by the President, or designated jointly by the DNI and the head of the department or agency concerned, as an element of the IC.

D. POLICY: Protecting national intelligence and intelligence sources and methods is fundamental to the success of the IC mission. The CSE, in consultation with the IC, shall support the Department of State (DoS) in executing its responsibilities to ensure the protection of classified national security information, and to perform other security-related functions affecting IC interests at U.S. diplomatic and consular facilities abroad. The CSE represents the DNI in consulting with, and advising, the DoS on all DoS Construction Security Plans (CSP) for new construction or major renovation of U.S. diplomatic and consular facilities abroad. Security reviews shall occur before any such project to ensure that these obligations have been met in a proactive and integrated manner. The CSE shall further assist DoS in developing security policies and standards affecting their facilities and operations and provide risk and threat assessments. The CSE shall also assist the DNI in carrying out his responsibilities with respect to the National Technical Surveillance Countermeasures Committee and the IC emergency management activities, to include continuity of government and operations.

E. AUTHORITIES AND RESPONSIBILITIES:**1. The Director, CSE shall:**

- a.** Support the DNI in protecting national intelligence and intelligence sources and methods at U.S. diplomatic facilities abroad;
- b.** Provide requirements and recommendations to the DoS in executing its statutory responsibilities to develop and implement policies and programs to protect U.S. diplomatic facilities and U.S. personnel abroad;
- c.** Chair the DNI Construction Security Review Board;
- d.** Provide the IC input to the DoS biannual Security Environment Threat List for the Human Intelligence and technical threat categories,
- e.** Provide risk assessments for U.S. diplomatic facilities abroad in response to specific requests from the DoS that involve analyses of asset value, threats, and vulnerabilities as well as recommendations for risk mitigation;
- f.** Participate in security surveys and inspections of U.S. diplomatic facilities abroad by elements of the IC and those of the Office of the Inspector General (OIG) of the DoS;
- g.** Coordinate with IC representatives to provide DoS OIG inspection teams with threat reports and other security briefings prior to their departure for designated posts;
- h.** Create and maintain up-to-date databases on foreign intelligence threats to and the vulnerabilities of U.S. diplomatic facilities abroad;
- i.** Participate in interagency development of security standards for U.S. diplomatic facilities abroad;
- j.** Provide on-site staff support for major construction activities to ensure that relevant security and counterintelligence (CI) standards are met and that IC equities and program interests are protected during the development, design, and construction of U.S. diplomatic facilities at selected high or critical threat locations;
- k.** Provide the DoS Bureau of Diplomatic Security with IC input and support for establishing 24-hour cleared American presence to protect classified national security information and equipment at selected diplomatic facilities abroad through the use of U.S. Marine Security Guards;
- l.** Collaborate with the IC and DoS to enhance Information Assurance standards and policies regarding U.S. diplomatic facilities abroad for the protection of classified national security information;
- m.** Partner with the DoS, industry, and IC elements to assess technical security shortfalls, identify solutions, and manage the integration of emerging technologies to improve security countermeasures;
- n.** Coordinate implementation of the National Integrated Technical Surveillance Countermeasures Committee program policies to include research and development, test and evaluation, training and certification, and foreign collaboration and sharing; and
- o.** Execute the DNI management and oversight responsibilities for Continuity of Government and Continuity of Operations programs for IC emergency management activities.
